AERIAL VANTAGE FL LLC

Local aerial mapping & photography

Campus & Community Map

A high-resolution aerial map of your whole property

For HOA boards, churches, private schools, apartment communities and parks.

ONE PROPERTY. ONE CLEAR PICTURE.

An **orthomosaic** is a single, true-to-scale overhead map stitched from hundreds of drone photos. It can be labeled with key structures and features: buildings, entrances, parking, pools/amenities, ponds and playgrounds. Includes aerial photos of buildings and common areas.

SNAPSHOT

Starting at

$399

one-time

Larger properties may cost more.*

Your property, ready to share

- One high-resolution orthomosaic
- 10–15 edited aerial photos
- Labeled PDF map: buildings, entrances, parking, pools/amenities, ponds and playgrounds

Annual Baseline · Starting at **$349/year**
Yearly re-fly for year-over-year comparison.

Storm-Ready add-on · Starting at **$175/year**
Pre-storm aerial and ground photos by a licensed adjuster.
